

Dear Dr Naeem

This is to thank you for your letter dated March 11, 2000.

I deeply appreciate the efforts of Honourable the Bishop Javed Albert to promote peace in the region. We are also grateful to him for his efforts to invite the attention of the international community to the Kashmir Issue. I am sure that our Christian brethren shall continue to stand by their Muslim compatriots through thick and thin.

Yours sincerely,

with best wishes

(MUHAMMAD SAFDAR)
